About Squash

Maximum performance in minimal time. The healthiest sport in the world according to the prestigious magazine FORBES. Squash is a complete full-body activity.

The year 2023 has brought great joy to all enthusiasts of this sport. After a long wait, squash will make its debut as an Olympic sport in Los Angeles in 2028.

Meanwhile, we continue to promote squash among the female community, encouraging women players of all levels to practice this sport.

Ladies Squash Valencia

It is an initiative that was born within the Squash Valencia Club in September 2015 with the aim of promoting women's squash in Valencia. The main activities are: encouraging new players, organizing women's squash events, promoting squash as a hobby sport for women of all ages and levels.

As of today, in Valencia, we have about 60 players at the beginner to intermediate level. This year will mark the seventh edition of the tournament exclusively for women.

To achieve maximum exposure, we have a website [Club Squash Valencia](#) with more than 200 members, we are present on social networks such as [Facebook](#) with more than 1.7 thousand followers and [Instagram](#) with 818 followers. Additionally, on [Instagram](#), we have an account dedicated exclusively to women's squash.
